To all persons afflicted with Gravel.

MR. J. F. COWAN.—Dear sir:—I hereby certify that in the summer of the year 1803, a servant of mine, a boy about 19 years of age, who had always before this time been stout and of a vigorous constitution, was attacked with gravel. I procured a few bottles, the first of which gave him relief, and in a short time he was able to walk about, and finally fully recovered, since which time he has had no and in a short time he was able to walk about, and in a short time he was able to walk about, and inally fully recovered; since which time he has had no symptoms of said disease, and to all appearance is as healthy as any servant on my plantation. I used your Lithoutriptic in small portions perhaponic a day, for five months, which dispelled a tirely the flatuient sickness of the stomach and heart-burn which had annoyed me, to an slarming extent in all my former pregnancies. When I was con-fined I took about two wine classes full of the same medicine, which gave me an easier deliv-ery by a great deal than I ever had before. Nor is this all, I have seen it tried in one case, and heard from this all, I have seen it tried in one case, and heard from a respectable source in another case, that your Lithon tripite was tried in, and the Mistwie with others in at attendance were thoroughly convinced that the pain of the delivery was very much lessened by its use.
